

The LAST Last Big One
Reminder...6918th RSM/SS Reunion November
7-10, 2019 at the Doubletree Hilton Airport Hotel
in Jacksonville, Florida

This is it!! You've seen and listened to us talk about this reunion for well over a year—and we are now just about one month away! Your time to procrastinate has evaporated!! Our tour, registration and reservation cutoff date is **October 17th**—meaning you need to do this IMMEDIATELY if you're planning to attend. Any registrations/reservations that are NOT in our hands **10/17 are late!!!** After that, it's unlikely that the hotel will have available rooms—and unlikely they could or would honor our free breakfast and room price offer. **DO THIS TODAY!!!!**

All the guidance and instructions/phone numbers you'll need are here—including ours!

- Registrations and reservations are due to us and the hotel not later than **10/17/19**
- All attending are encouraged to bring 6918th and Air Force memorabilia to share with others attending. Items will be placed for display on 11/7 and 11/8 for all to see and enjoy. Those of you who have items for auction, raffle or donation should follow the instructions on our website link above.
- Some of you are arriving early—prior to us even setting up check-in and giving out badges—which is great!! Each 6918th reunion attendee also gets free breakfast daily in the hotel restaurant for up to 2 adults. Since you're there early—you won't have your reunion badges yet—but, hopefully, you won't have any trouble. Should you experience any problem, please mention Cedric Jones, the Sales and Catering Manager, who should be able to help resolve it for you. His phone number is 904-256-4583—but please have the desk contact him and be sure to reference the 6918th RSM/SS group.
- This last reunion is SO special in so many ways—not the least of which is the attendance of 5 Japanese from the Saitozaki area who work in the chamber of commerce/tourism field. They have been supporters of ours from afar for several years, and will attend all the way from Japan! They range in age from 35 to 64 and are traveling all this distance not to sightsee or go to the beach—but just to meet and speak with our members!

- A special promotion will be available at this reunion for attendees only! We've contracted a videographer to capture the entire 2019 program and evening highlights (11/9), and that video will be placed on a special DVD, then mailed out following the reunion. Also, a 2019 design 6918th RSM/SS cap will be available. The special promotion of 1 each DVD and Cap are available for a \$50 donation, which includes entry into a special prize drawing. Purchase of either item separately for \$25 is also available—without entry into the special drawing. Quantities are VERY limited, especially for the caps—so don't procrastinate!! **[This promo is available only to 2019 reunion attendees!](#)**

- This Special Promotion won't be offered on our website--we are closing down, and selling all our merchandise. But...Maybe you have a buddy or close friend who can't attend the reunion, but you KNOW they would LOVE this Special Promotion of a cap and program video DVD—and you'd like to gift it for them—but how?? Or, maybe you just want to order your copies NOW!! You can pre-order this promotion NOW for yourself or for them, by calling Carol at 816-294-1787, OR, Dave at 321-360-9025. Give us the name(s) you're reserving it for and how many you need—and we'll add it to our list. Then, just send your check to Carol, following the guidance at the above link and on our website. Then, you can pick up the hat and disc case at the reunion for you and for them. You'll mail out your friends copy—then, a few weeks following the reunion, we'll mail out the promo video DVD disc(s) to you and to them—no extra charge! DO IT NOW—Quantities of caps especially are VERY limited—DO IT NOW!!

- Attached is a draft activity schedule which details where and when activities are planned— A final copy of this will be included in your check-in goodie bags upon arrival! Please note locations and times for specific events!

This MAY be the last chance you'll have to get together with many of your 6918th friends—so PLEASE don't miss this opportunity! At the conclusion of the November reunion, no further tracking of members will take place, and while both websites will remain active for another 2 years, updates to the public site will be limited—our corporation will dissolve, activities and newsletters and news squawks will stop! Please choose to attend this Last Big One!!

We expect between **130-150** people to attend, including members from all Flight groups and all years the 6918th was active. This may be your last best chance to reconnect with that buddy you want to see!

We hope to see you there!!
