

The 6918th RSM/SS 2019 Jacksonville Reunion Squawk

2019 Reunion -- November 7th – 10th

[A note from our Chairman, Dave Bethard](#)

Remember the dates—November 7-10, 2019. Jacksonville, Florida.

This will be the FINAL 6918th RSM/SS Reunion!!!! **The Last Big One** as we're billing it!!!

As the Chairman of the not-for-profit corporation, I will have the dubious honor of stopping all of the sponsored reunion related efforts we've been working on and have been involved with for many years. Unfortunately, Father Time has caught up with us—Carol and I in particular—have some active and debilitating health issues we're addressing now. And, since we (and our spouses), are the primary everyday reunion workers, it makes doing reunion related things at our ages difficult, to say the least. We searched high and low, but no 'younger troops' came to our rescue—perhaps because we're some of the younger folks on our roster!!!

So, reluctantly, in mid-2018, we asked our Board of Directors for guidance—and they unanimously agreed that it was time to stop our corporate reunion efforts. Following the 2019 reunion, we'll still

maintain at least one website for a while—but there will be NO MORE big reunion efforts. We do expect, and fully support, smaller groups of 6918th friends continuing to gather for Mini-Reunions, where and when possible—but corporate efforts and sponsorship will cease. We'll officially dissolve the corporation in May of 2020, and the website efforts will stop shortly after that, probably before the end of 2021.

So....no more future chances or tired, worn out excuses!!! YOU NEED TO COME TO THIS ONE!!! The Doubletree/Hilton Jacksonville Airport can provide us with a maximum of 100 rooms total! Normal attendance at one of our reunions might require 45-65 rooms nightly. Because this will be **The Last Big One**, we expect SIGNIFICANTLY HIGHER (record) TURNOUT!! Book Now!!

So...don't procrastinate HOPING for a next time—this **IS IT!!** This is **The Last Big One!!** We encourage you to make reservations EARLY so that you're guaranteed one of those 100 rooms—otherwise, you may be staying in a nearby overflow hotel, that's easily within a few minute shuttle service each way—but it won't be nearly as convenient since you won't be staying where all the events are taking place. (We will work closely with our hotel and update information as reservations accumulate, and should it be needed, the overflow hotel details will be published here.)

We DO plan to make **The Last Big One** VERY SPECIAL!! We'll have some wonderful fun & prizes, and lots of great gatherings with old (and new) 6918th friends! We hope YOU can make **The Last Big One!!**

Please don't put this off—make your reservations TODAY!!!

Dave Bethard
